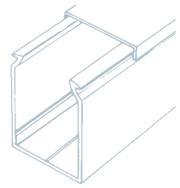
> **DOMINIO.** Modular trunking system. p. **2.6**.1

Cable ducting systems for industrial installations of cables, tubing, etc.
Material: Self-extinguishing rigid PVC Class 1 (UL94-V0).
Length: 2 m
Colour: Grey RAL 7030 = G
White RAL 9001 = B

TIPO G

Cable ducting systems.

Twenty eight measures of trunking for an easy and economic installation, complete of accessories (brackets to wall and ceiling, boxes of derivation, joint separators and angles) proper for the employment of trunking as simple installation duct or as socket point raceway using the special inside boxes and plates for uses.



CEI 23-32 Certification R.I.N.A. IP 40 - GWT = T850°
